The Dy Commissioner,
Kadur Distt.

3270 dated 24th Dec 1906 Sir,

During my inspection of the Singa-gadde Matt at a distance ~~of a mile from~~ Yedehalli on the 23rd December last, I observed that the ~~—~~ Sante Bankeshwara ~~bankshi~~ Situated within the Matt precints — was in need of repairs — except the Garbhagudi.

The wooden portion of the building and the roofing ~~were required~~ had ~~recently~~ to be ~~add~~ replaced.

The Dharmadarsees who were then present were informed that they ~~—~~ should try their best and collect contributions

from disciples towards the cost of repair, which ~~may~~ might come up to not less than 3 or 4 ~~months~~ thousand rupees, and further there seemed to be no immediate necessity for undertaking the work.

I am to request that you will kindly do the needful in the matter.

(2) The Mahadwara or the entrance of the premises has fallen down. The Kutchen portion of the Mutt proper requires some repairs. I am to request that you will be good enough to submit an estimate for these two items of works, pointing out the source from which the cost thereof may be met.
